

### **Modified Fundamentals of Caregiving: \$35.00**

Modified Fundamentals of Caregiving Training was a Self-Study course for NA-C's (Nursing Assistant – Certified), LPN's (Licensed Practical Nurses) and RN's (Registered Nurses) only. With I-1163 taking effect on 01-07-12, Modified Fundamentals of Caregiving Training is no longer required, and ceases to exist.

MFOC was still available for those eligible to take it (those NA-C's, LPN's and RN's employed in a BH, AFH, or GH before 01-07-12), until 05-05-12. For those employed before 01-07-12, and who have not yet completed MFOC, they will have to take this matter up with Aging and Disability Services (ADSA) of DSHS. **There is no more “Self-Study Modified Fundamentals of Caregiving” Training for NA-C's, LPN's, or RN's.**
